EXP 6	Currency and File Upload Fields

Aim:

To add Stipend per Month as a currency field and Offer Letter / Completion Certificate as file upload fields.

Theory:

- **Stipend per Month:** Currency field in INR.
- **Offer Letter:** File upload, mandatory.
- **Completion Certificate:** File upload.

Procedure:

1. Add Stipend_per_Month with type = INR in the Application IDE.
2. Add Offer_Letter as a mandatory upload file field.
3. Add Completion_Certificate as an upload file field.
4. Save and check the fields in the live form.

Program (currency and file upload fields):

```
    Stipend_per_Month
    (
        displayname = "Stipend per Month"
        type = INR
    )
    must have Offer_Letter
    (
        type = upload file
        displayname = "Offer Letter"
    )
    Completion_Certificate
    (
        type = upload file
        displayname = "Completion Certificate"
    )
```

Output:

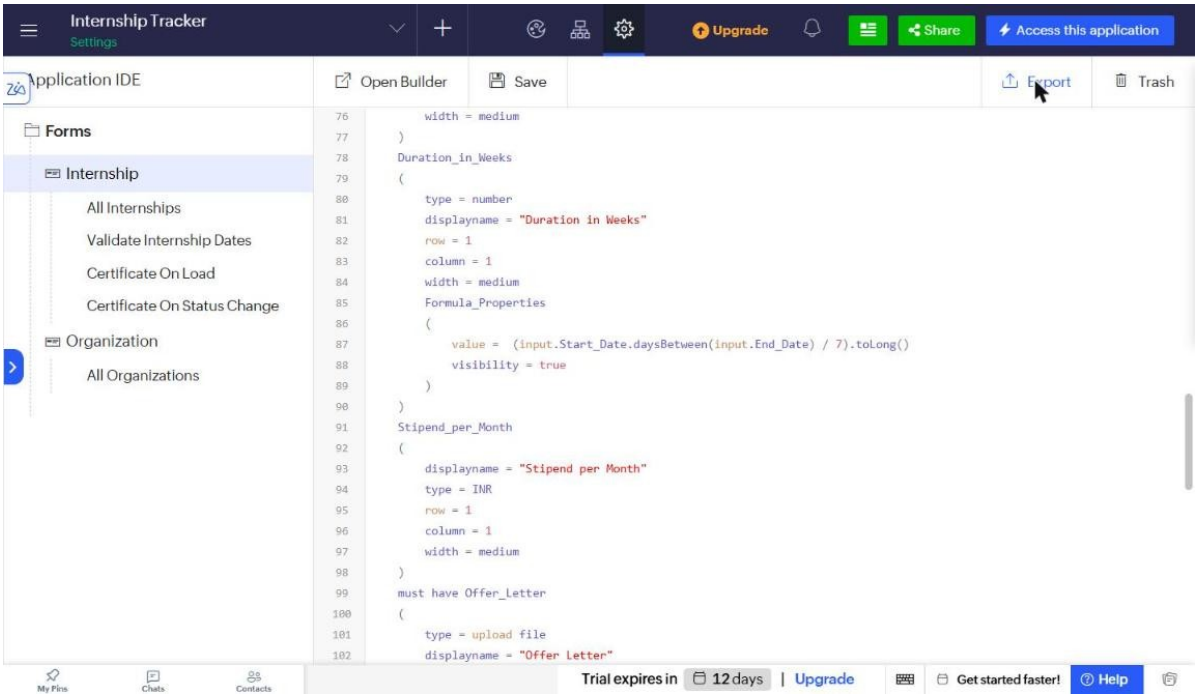

Fig. 6.1: Stipend and Offer Letter fields in the IDE

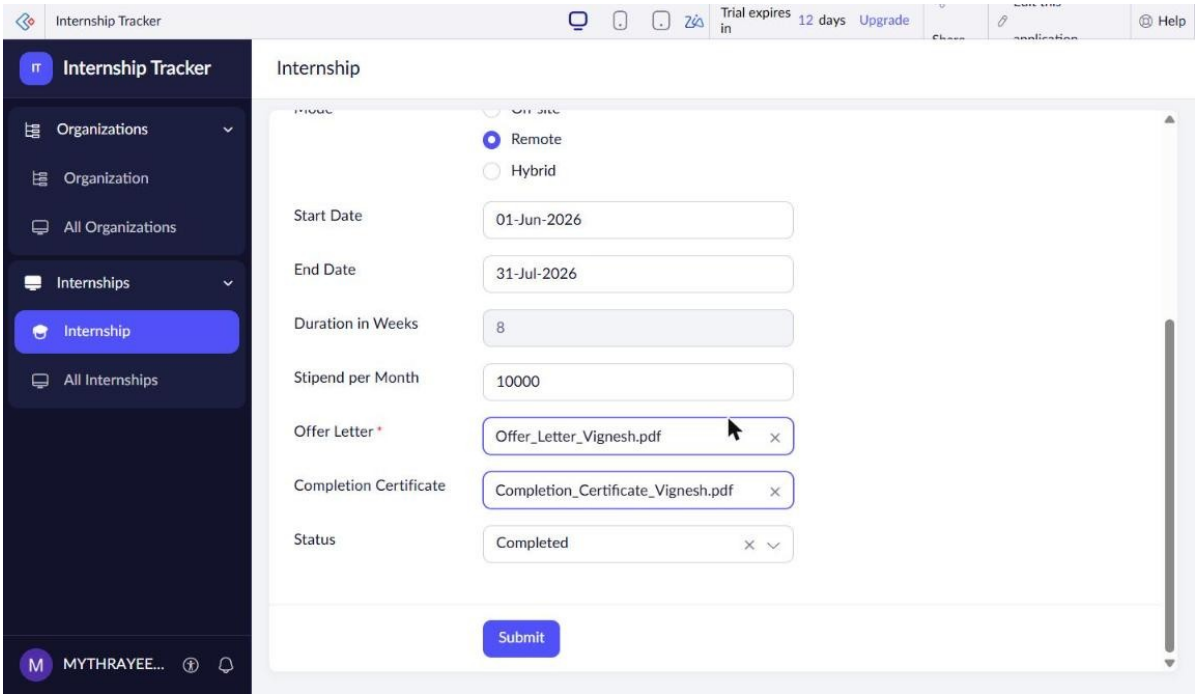

Fig. 6.2: Stipend and documents in the live form

Result:

Stipend per Month (INR) and the Offer Letter and Completion Certificate upload fields were added.
